Summary of the grant:	<p>Through this grant, ACDC aims to enhance the long-term sustainability of the organization, strengthen digital security, and transition toward a strategic, program-based civil society engagement model. The total budget for the project is 14,940 EUR.</p> <p>Key activities include the procurement of essential IT equipment and tools, as well as the implementation of training sessions for staff in the fields of cybersecurity and artificial intelligence. Through the development of a new five-year strategy (2026–2030), the focus will be placed on programmatic areas such as the rule of law, human rights, youth, education, and interethnic cooperation. To improve financial sustainability, the project will also develop a fundraising strategy and organize seven training sessions on fundraising and crowdfunding techniques. Additionally, a three-day team retreat in Prizren will be organized to align staff with the new strategy and improve internal collaboration.</p>
