Contacts (address, email, phone number, website):	Str. "Xhevdet Doda", Dukagjini Residence, Prishtina <a href="mailto:info@animalrights-rks.org">info@animalrights-rks.org</a> +383 49 444 237 <a href="https://www.animalrights-rks.org">https://www.animalrights-rks.org</a>
Duration of the grant:	Start date: 01/09/2022 End date: 31/01/2022
Total budget of the grant (EUR):	2.150,00 EUR
Budget supported from EJA Kosovo program (EUR):	2.150,00 EUR
Target groups:	Citizens of the municipality of Pristina, Municipality of Pristina, Ministry of Local Government Administration, Citizens of Prishtina, Dog owners, Students of the Faculty of Agriculture and Veterinary Medicine, Dog population
Geographical scope:	Municipality of Prishtina
Summary of the grant:	<p>This project, which will be implemented in the Municipality of Prishtina, aims to assess the dynamics of the dog population (births, abandonments, sources of increase of dogs on the street) through surveying/counting of dogs on the street and surveying households to measure the community's perception on dogs and this dynamic.</p> <p>Through this project, our organization will collect professional data on the problems that cause the growing number of (stray) dogs on the streets and to guide and propose solution – oriented and sustainable measures to the Municipality of Prishtina. The data of this project will also be beneficial for the central level (MAPL) for the successful implementation of the measures proposed within the "National Strategy for the Management and Control of Dogs with and without Owners."</p>
