Duration of the grant:	Start date: 01/06/2023 End date: 30/11/2023
Total budget of the grant (EUR):	9,400.00 EUR
Budget supported from EJA Kosovo program (EUR):	9,400.00 EUR
Target groups:	Youth Ethnic minorities
Geographical scope:	Gorazdevac, Peja
Summary of the grant:	Training young journalists from all communities in Kosovo to enhance skills in the digital environment and ethical issues, with the goal of encouraging reporting about communities. The project will include several activities focused on capacity building in local media and promoting diversity. In the first phase, the project team will identify 30 young journalists from various communities. Upon completing the training, project participants will produce 9 short TV stories and news reports through group work, as the project encourages teamwork and close collaboration among team members.
