Budget supported from EJA Kosovo program (EUR):	9,350.00 EUR
Target groups:	Youth Roma, Ashkali, Egyptian, Goran minorities
Geographical scope:	Ferizaj, Kaçanik
Summary of the grant:	The project aims to raise citizens awareness regarding main issues in the field of cultural heritage in the cities of Ferizaj and Kaçanik. Furthermore, it aims to raise awareness and strengthen cooperation between institutions and the community in order to develop further cultural heritage – based tourism. Through the workshops on field research methods, field research, publication of articles and advocacy meetings, citizens awareness will be raised in order to protect and cultivate cultural heritage, increase accountability from institutions for consultations and the inclusion of the community in the field of cultural heritage. Moreover, the capacities of students and young professionals in the field of cultural heritage will be developed.
