Duration of the grant:	Start date: 21/04/2025 End date: 21/08/2025
Total budget of the grant (EUR):	EUR 9,940.00
Budget supported from EJA Kosovo program (EUR):	EUR 9,940.00
Target groups:	• Youth; • Teachers; • Career advisors.
Geographical scope:	Gjilan, Prishtinë, Ferizaj, Vushtrri and Suthern Mitrovica
Summary of the grant:	The overall objective of the project is to raise awareness and educate youth and teachers about climate change, as well as promote adaptation through circular economy alternatives. The expected results include expanding knowledge and raising awareness about climate change and the principles of the circular economy, building capacities and empowering youth and teachers to advocate for climate action and circular economy practices, and creating and developing youth-led initiatives by encouraging understanding and implementation of climate change concepts and circular economy principles. The main activities of the project include the implementation of the Climate Fresk and Eco-Shift (circular economy) workshops, training of facilitators, equipping facilitators to lead Climate Fresk and Circular Economy workshops, follow-up activities, development of action plans, monitoring and evaluation, as well as promotion of project activities. The project will engage both youth and teachers.
