Auditing firms may submit proposals for multiple LOTs.

KCSF will make all efforts to avoid a situation where the same auditor is contracted for all LOTs. This is why no firm will be awarded more than three LOTs, and these must not be interrelated within one program.

Additionally, auditors who are currently or have previously been involved in auditing the last phases of the respective LOT cannot be selected again for the same LOT.

LOT 01: External Audit for the EJA 2 Kosovo Program (ISA 805)

LOT 1 involves an External Audit for the EJA Kosovo Program Phase 2, co-funded by the Swiss Agency for Development and Cooperation (SDC) and Sweden. The total program budget is EUR 4,278,496.19, with EUR 2,527,662.75 to be allocated to grants supporting civil society organizations in Kosovo. The audit will cover the program's financial information for fiscal years 2024, 2025, 2026, 2027, and 2028, in accordance with International Standards on Auditing (ISA 805).
