| Summary of the grant: | Shliroj Cikat is an artistic and health festival that addresses the issue of breast cancer in Kosovo. It targets women throughout Kosovo to inform, educate and prevent breast cancer deaths. It's a fundraising project that harnesses the power of coming together as a community for an important cause. The year 2022 will mark the second edition with a larger scope and activities that will provide a greater spread of the message and the collection of a larger fund. |
