Duration of the grant:	Start date: 01/10/2021 End date: 31/03/2022
Total budget of the grant (EUR):	9,760.00 EUR
Budget supported from EJA Kosovo program (EUR):	9,760.00 EUR
Target groups:	Women
Geographical scope:	The project includes the Municipality of Shtime
Summary of the grant:	The main goal of the project "Advocacy for support of women that led businesses to overcome the difficult economic situation as a result of facing the pandemic Covid-19" is the establishment of a fund for women in business from the Municipality of Shtime. From this project we expect to improve the position of women-led businesses in the Municipality of Shtime and increase of applications from Women Entrepreneurs in Economic Renewal programs. The main activities that will take place are: Organizing visits and surveying of women-led businesses; Organizing public meetings with women; Working meetings with the candidates for Mayor, presentation of the Fund and receiving the public promise for realization; Facilitating Businesses Led by Women and Monitoring the work of the Municipal Assembly, realization of the Fund for women.
