Total budget of the grant (EUR):	690,429.00 EUR
Budget supported from EJA Kosovo program (EUR):	114,900.00 EUR
Target groups:	Youth
Geographical scope:	Peja, Gjakova, Junik, Deçan, Rahovec and Pristina
Summary of the grant:	<p>With this support, YMCA is aiming to strengthen the capacities of the organization and build self-sustainability as an institution, in order to be able to deliver more programs and reach out to more young people in Kosovo. YMCA will do this by:</p> <p>Strengthening and expanding youth programs in YMCA youth centres to provide more activities and reach more youth. By offering weekly activities YMCA will work with 1500 young people every year.</p> <p>YMCA will create the first youth non-formal education coalition network involving all youth organizations that are sustainable and independent from the government, to build a stronger voice of youth representation in our country.</p> <p>YMCA will finalize the YMCA Camp Pjetershan residential centre and open as a new residential place for CSOs and schools in Kosovo that serve as an incubator of social enterprise for Kosovo and West Balkan region as well as a tool to help build self-sustainability for the YMCA.</p>
