Total budget of the grant (EUR):	9,400.00 EUR
Budget supported from EJA Kosovo program (EUR):	9,400.00 EUR
Target groups:	Women and girls Roma, Ashkali, Egyptian, Serb, Bosnian and Turkish minorities LGBTI+ community
Geographical scope:	Prishtinë, Ferizaj, Graçanicë, Prizren
Summary of the grant:	The project aims to raise the awareness of sport structures and local authorities in providing equal opportunities and access to physical activities for girls and women of all ages. The focus will be on providing information, statistics and arguments from the field about the importance of the topic and the needs, problems and opportunities of this issue so as to influence the well-being of citizens through physical activities. During the 10 months of project implementation, women and girls from different communities in the municipality of Prishtina, Ferizaj, Graçanica and Prizren, as well as representatives of local and central institutions who work in the field of equality and sport will be involved.
