

Call for Application for training: “Career orienteering”

We are pleased to announce the opening of the training applications for “Career orienteering”.

The training will be organized on 25th of May 2024 (Saturday), as part of the initiatives in the first edition of Community Leadership Academy (CLA) - a transformational 12-week learning program.

This intensive training is designed to provide participants with essential skills for a competitive labour market, including effective communication, productive interaction, preparation of a professional CV with help from Artificial Intelligence, and innovative employment strategies - all focused on a single full-day of engagement.

Who can attend the training?

Are you a 11/12th grade student in one of the high-schools in Prishtina?
If YES, this training is for you!

What does our training provide?

- **Training from experts:** Intensive one-day sessions with eminent experts in the field of professional development.
- **Practical sessions:** Extensive experiences that empower you to lay a strong career foundation in record time.

Training sessions include:

- **Discussion Panel:** Employment opportunities, connection between education and employment and career orienteering.
- **Interactive training:** Creating an effective CV with the help of ChatGPT
- **Session:** Strategies and career orienteering.
- **Session:** Formal debates and communication skills.

This one-day workshop is an essential step toward building a successful career and growing as a leader in your community. Don't miss this fantastic opportunity to acquire soft skills that are crucial for success in the professional and other settings. Transport and food are covered by the organizers.

Deadline for application: 19 May 2024 (Friday), at 23:59h.

This training is supported by the Citizen Engagement Activity, a five-year initiative implemented by Kosovar Civil Society Foundation (KCSF), in partnership with the USAID Kosovo.
