Summary of the grant:	<p>The “Nën Një Qiell: Ndërtimi i besimit të të rinjëve përmes shkencës dhe astronomisë.” project aims to foster inter-ethnic cooperation and understanding among Kosovo's youth through a shared experience in astronomy. By implementing an inclusive approach, the project will organize workshops, stargazing events, and educational activities across different communities, helping to build trust and collaboration between ethnic groups. The use of a Mobile Planetarium will enable bringing astronomy to even the most remote and marginalized areas.</p> <p>The primary beneficiaries will be youth, women, ethnic minorities, people with disabilities, and the LGBTI+ community, ensuring inclusivity and equity in all activities.</p>
