<b>Summary of the grant:</b>	<p>The project “Gjuha e shenjave për të gjithë” aims to raise awareness and knowledge among high school students in the municipality of Gjilan about sign language and the culture of the deaf community. The main activities include training sessions on sign language, which will be held with 20 students in each of the 7 high schools in the municipality, with one training session per school over a 7-week period.</p> <p>This project aims to create an opportunity for students to learn about sign language and develop communication skills with deaf individuals, contributing to increased inclusion and reduced prejudice towards this community. The training activities will also help foster respect and solidarity among students, creating a more open and acceptable environment for everyone.</p>
